

Grade 4 Weekly Update ~ Week of January 7, 2019

Mrs. Gengo ~ bgengo@saintchris.org

Miss Kerwin ~ ckerwin@saintchris.org

This week we will read the selection story, Dear Mr. Winston. Our comprehension strategy will focus on making conclusions and generalizations as we read. We will also work on our fluency using expression as we read.

In Literature Circles the children will finish the chapter book, Harry Potter and the Sorcerer's Stone. We plan to watch the movie on Friday.

The children have reviewed their weekly reading vocabulary words and should be prepared for a weekly assessment at end of this week.

In Spelling we are working on words that have a vowel plus r sound. Our grammar lessons will focus on pronouns.

In Religion we will begin Chapter 5: Jesus, the Image of God. The children have been given the chapter outline/study guide.

In Math we will continue to work on division. The children should continue to practice daily.

**In Science we will continue our unit on Electricity and Magnetism.
The children have been given the unit outline/study guide.**

Have a Great Day 😊

Mrs. Gengo & Miss Kerwin

Reminders:

- **Bound for Broadway, January 16th**
- **Field Trip to the Buffalo Zoo, January 25th**
