

Dear Parents/Guardians,

As part of our fabulous Catholic Schools' Week Celebration, February 1-5, the CSW Committee has been working hard to find new, fun and safe activities for our students. While some things will be different, we are excited to be changing things up from our usual, favorite activities. To cover the costs for these new activities, we are collecting \$5 per student.

Please send in \$5 per child at your earliest convenience. You may send in a check or exact cash. We cannot make change.

Be watching for more information as we get closer to February 1st!!

Thank you,

The 2021 Catholic Schools Week Committee
