The Mission of St. Christopher’s School

We as a Catholic School Community:

**BELIEVE** -- that each student enrolled at St. Christopher School is a unique and important person and that every facet of his/her life -- spiritual, emotional, intellectual, social and physical should be developed.

**SEEK** -- to help each individual develop as a thinking, caring Christian who respects all life and has the desire and ability to contribute constructively to the betterment of our world.

**REALIZE** -- that the educational process goes beyond the school. Thus, the developing of a shared commitment from the community, parents and school is a necessary ingredient in achieving these goals.

*If children live with acceptance, they learn to love*
THE HISTORY OF ST. CHRISTOPHER’S SCHOOL

Our school was built by the parish in 1954 and expanded in 1960. Throughout the years, the school has consistently received support and a strong commitment from the parish. All members of the parish pastoral staff, including the Associate Pastor and Deacon, are involved in the life of the school. Parish groups including the Parish Council, the Parish Finance Committee, the Home School Association, and the School Board all interact on a regular basis. The parish provides a loving, Christ-centered school committed to the faith and academic success of its Catholic school students.

Construction of St. Christopher’s school was completed in 1955, opening for 209 students in grades K-6. The building was expanded in 1960. In 1965 and ’66 seventh and eighth grade classes were added. Starting in 1983 computers were added to the school and in 1996 the school joined the internet. Foreign language instruction began in 1986, as did pre-K.

On September 26, 1988, St. Christopher’s Church was destroyed by fire. By 1990, the new church was completed and the school remodeled to include office space. Two years later a gymnasium/Parish Center were created.

As the times changed, so did St. Christopher’s school. In 2007, St. Edmund’s Parish merged with St. Christopher’s and the school welcomed many new students and teachers from St. Edmund’s School. The combination created a wonderful new atmosphere and new friendships.

St. Christopher’s School welcomes all students. All denominations, non-parish families, and students of religions other than Catholic have a place here at St. Christopher. Students of all cultural, racial, and ethnic backgrounds are welcome. Students that experience challenges either physical or academic will find St. Christopher’s a loving place to learn. St. Christopher’s is committed to offering all parents the opportunity to choose the school they believe will best foster the growth and success of their students.

The policies and curriculum of St. Christopher’s School follow the guidelines established by the Diocese of Buffalo Department of Education as well as New York State. Using these guidelines, St. Christopher’s dedicates itself to instilling faith, expanding the love of God, and enriching the academic knowledge of all children to create dedicated people of faith who will go on to live successful lives of service to God and others.
St. Christopher School has been named an Energy Star School!

The U.S. Environmental Protection Agency recognizes St. Christopher School for demonstrating superior energy performance. The ENERGY STAR is the mark of superior energy performance and identifies our building as one of the most efficient buildings in the nation. By taking this important step along the path to energy efficiency, we are not only saving money – we are preventing the release of greenhouse gases and protecting the environment.
INTRODUCTION

FOREWORD:

This Student and Parent Handbook is provided to inform you of rules, policies, procedures, guidelines, and other information you may need or for which you are responsible during the school year. Answers to many frequently asked questions may be found herein, and we encourage you not only to carefully review the handbook but to keep it readily available for reference throughout the year. If you have questions or concerns that are not addressed in the handbook, you are encouraged to contact the teachers or administrators in your school. The administration reserves the right to modify its rules, policies, procedures, or guidelines as published in this Handbook. Modifications made during the school year will be publicized through notices sent home, the website, and other forms of communication.

• Effective collaboration and communication with families as partners in the education of their children is essential to the success of our school and its students.

• Catholic schools recognize parents and families as the primary educators of their children.

• The development of curriculum, design of instructional activities, and the use of assessment measures are focused on learning opportunities and feedback to assist student achievement.

• Accreditation: by the Middle States Association of Colleges and Schools Commissions on Elementary and Secondary Schools

WELCOME:

We are honored that you have entrusted your child’s education and care to St. Christopher Catholic School. We look forward to serving your family and the community by providing each student with the opportunity to achieve excellence. Establishing high spiritual, academic, and behavioral expectations are important aspects of creating an environment of excellence for our school community. We accomplish this by requiring these expectations be met every day without exception, so it is crucial that students, parents, teachers, staff and administrators all know and understand what is expected. The expectations and responsibilities for both parents and students are spelled out in this handbook as a definitive guide regarding the policies and procedures that govern the school. It is a requirement that all members of the school community read the handbook so that all parties are aware of their responsibilities, the school’s policies and procedures, and the consequences associated with not abiding by them.
AS A PARENT, TO START THE NEW YEAR RIGHT,
I PLEDGE TO:

★ Participate in my children’s education by supervising homework,
★ Talking with my children about school and volunteering.
★ Turn off the television for homework, reading time and for spending time with my children.
★ Accept my children for who they are.
★ I will try to nurture those qualities that make each of my children special.
★ Read to or with my children every day of the year.
★ Expect the very best from my children at all times.

***Never let a day go by without telling each of my children that I love them!

***************

Dealing with Perfection

Lord, we often have an image
of just how our children should be - and when they don’t live up to that image we’re tempted to be disappointed with them.

Don’t let me ever say or do anything that would make any of my children feel that I’m disappointed with who or what they are.

I know that, as a parent,
I must try to correct their faults
and encourage them to improve themselves - but in doing so, don’t let me ever give them the impression that I love them any less
because of their faults and failures.

I don’t ever want them to think that they have to be perfect to be loved.
SCHOOL POLICIES

UNIFORM POLICY:

Saint Christopher School has developed standards of dress that promote human dignity, cleanliness, and good health. **Parents please follow this policy and check your children daily.** Adherence to every detail of the dress code is mandatory. Students are expected to arrive to school in dress code.

While the students of Saint Christopher Catholic School are in uniform, they are representatives of our school. Because our students take pride in themselves and their school, we expect our students to represent themselves and their school in a positive manner; therefore, while students are wearing the uniform in a public forum, they are to remain in dress code and are not to participate in any behavior that would disgrace our school. If a student is wearing any piece of the uniform, he/she is to be in full uniform, or he/she is subject to the same disciplinary consequences as during the school day.

Wearing a uniform is part of the Catholic tradition and is an integral part of focusing the students’ attention on education. Coming to school in uniform is the expectation. Addressing dress code and personal appearance violations needlessly distracts from classroom instruction for your student and others in the classroom. Refusal to follow the dress code and personal appearance policy is an act of defiance, and therefore, students who refuse to follow them will incur the normal consequences for behavior, up to and including suspension.

Boys and girls are required to wear uniforms. They are available from;

- Flynn & O’Hara Uniform Company (toll free telephone number is 1-800-441-4122 ext 8036) or visit their store at Georgetown Square, 5225 Sheridan Drive, Williamsville, NY 14221
- Pants, shorts or shirts that meet the standards of the uniform code may be purchased at other stores.

**At no point may anything be added to the uniform that is distracting to the learning environment. All students must be in full uniform upon entering the building and stay in full uniform until after dismissal. There will be a uniform check each morning in homeroom. Students not meeting uniform code will be asked to call home or make appropriate changes.**

REGISTRATION

Admission:

ST. CHRISTOPHER SCHOOL NON-DISCRIMINATION POLICY:
Catholic schools in the Diocese of Buffalo shall not discriminate on the basis of race, sex, color, national and ethnic origin, age (in accordance with the law), and physical or learning disability, if with reasonable effort on the part of the school, the disabled person could be accommodated.

1. Pre-Kindergarten and Kindergarten registration will begin in December for the following September.
2. For Grades K-7, re-registration forms are sent home in January. This re-registration is necessary for future planning of class size and materials.
3. Parents who wish to enroll new students in Kindergarten need to complete an application form available through the school office. Kindergarteners may participate in a screening held in June. Any student who does not test as Kindergarten ready will have their deposit refunded.
4. Parents who wish to enroll new students in grades 1-8 should call the school office to set up a conference with the Principal or Assistant Principal.
5. Records from the previous school must be brought at the time of the conference.
6. A new student who transfers into St. Christopher School will be on a 3-month probation period.
7. Acceptance for the remainder of the year is given only if behavior and academics are at a level which is commensurate with our standards.

Withdrawal:

It is expected that the office will be contacted in writing when withdrawing children from St. Christopher School. The education of a student is a partnership between the parents and the school. Just as the parents have the right to withdraw a child if desired, the school administration reserves the right to require the withdrawal of a student, if the administration determines that the partnership is irretrievably broken.

Student Withdrawal on Grounds of Parental/Guardian Behavior:
Normally a child is not to be deprived of a Catholic education or otherwise penalized for actions of parents. However, in the instance where parents/guardians detrimentally impact the school’s ability to effectively serve its students, the parents/guardians may be requested to remove their student from the school for ANY of the following reasons:

1. Refusal to cooperate with school personnel; or
2. Refusal to adhere to diocesan or local policies and regulations; or
3. Interference in matters of school administration or discipline

In all cases, reasonable effort to elicit the minimum requisite parental/guardian cooperation shall be made and documented. The principal must verify that parents/guardians cooperation shall be made and documented. The principal must verify that parents/guardians were informed to terminate the inappropriate behavior and begin cooperation with the school or this policy would be enforced. If such effort does not correct the situation, then after consultation with the Superintendent, the principal may require the parents/guardians to withdraw the child. Documentation signed by the principal and parents/guardians as well as any other information or evidence of consultation with the parents/guardians on the matter must be retained on file.
TUITION

Tuition Information: The annual tuition at St. Christopher School is determined after much prayer and consideration by the finance committee, administration and school board. Every effort is made to keep the financial obligations of families reasonable while affording them a quality Catholic education from highly qualified teachers and staff. A generous parish subsidy greatly reduces the actual per student tuition cost.

New Attendance Policy: to ensure adequate staffing for the safety of our students, attendance in the Kids Kare After-School Program must now be scheduled monthly, in advance, with pre-payment for all scheduled days. A calendar will be available on the school website for parents/guardians to complete and submit by the 1st of the month for any/all requested Kids Kare days for our students. Payment must be submitted with calendar dates. Please check the box on the registration form and calendar if you would like to have ACH (automated deduction) applied.

Exceptions for bi-monthly scheduling may be considered for those families whose work schedules vary and for whom monthly scheduling may present a hardship. Please contact Ms. Fox in writing, to request such special arrangements. Gfox@saintchris.org.

Emergency situations: While pre-planning ensures an adequate number of after school staff we understand that a family emergency may arise requiring you to alter your child’s normal dismissal plans. In that event, your child/ren are certainly welcome in our program as their safety is our number one concern. However, please notify the school office immediately so that we may make proper arrangements for staffing. Unplanned attendance will result in an additional $5.00 charge to cover the cost of arranging for additional staff coverage.

Refunds/Credits: In the event a child is absent from school for a legal absence (verified by a note from his/her legal guardian) on a day they were scheduled to attend Kids Kare, the pre-payment for that day will be credited or “rolled over” into the succeeding month. Refunds will not be issued.
**Kids Kare Participation Guidelines & Payment Information**

1. Registration Form and $10.00 family registration fee must be on file and paid prior to the first day in attendance.
2. Advanced scheduling and payment must be arranged per the calendar found on the school website.
3. All accounts must be current in order to maintain enrollment in the program.

**If the balance is NOT current the following measures will be implemented:**

1. Parent is responsible for contacting the school bookkeeper at 692-2660 ext. #329 to make payment arrangements.

2. If payment arrangements are NOT met, families agree to reimburse St. Christopher School the fees of any collection agency, which may be based on a percentage at a maximum of 33% of the debt, and all costs and expenses, including reasonable attorney’s fees we incur in such collection efforts.

3. The child(ren) will not attend Kids Kare and will not be able to attend the program until the balance has been remitted. Students may not wait in the office for a late parent/guardian if the account is overdue. Re-registration/continuation in the Kids Kare Program may be jeopardized and will require a conference with administration for the child(ren) to be reinstated.

4. I also understand if funds are not available for withdrawal, a $25.00 Insufficient Funds Fee will be incurred. This fee will also be applied in the event of a bounced check.
Please submit the following registration pages along with the calendar of dates to the school office Attn: Ms. Fox

ATTENDANCE

SCHOOL HOURS

Grades K – 8  7:30 a.m. - 2:20 p.m.
Pre-K - 7:45 a.m.-2:20 p.m.

St. Christopher School has developed this Attendance Policy in accordance with New York State Education Law – Section 3205. This comprehensive attendance policy will help to uphold the philosophy of our school, as stated in the beginning of this handbook.

It is the responsibility of the parent/guardian to ensure their child attends school regularly. Regular attendance is essential to the academic success of your child. Parents should plan family vacations and doctor’s appointments during regularly scheduled school holidays and breaks. Students are expected to be present for the entire time school is in session according to the school year. Attendance will be checked and recorded daily for all students. Saint Christopher School requires that parents call the school office at 716-693-5604 by 8:00 am to report your child’s absence.

1. Objectives:
   A. To ensure the maintenance of an education record verifying the attendance of all children at instruction in accordance with Education Law 3205
   B. To establish a practical mechanism for St. Christopher School to provide accountability of all students throughout each school day
   C. To ensure sufficient pupil attendance at all scheduled periods of actual instruction or supervised student activities

2. Strategies to Meet Objectives:
   A. Use of a daily register of attendance (computerized or written)
   B. Use of a recording system in departmentalized grades
   C. Use of a recording system for excused or unexcused absence for a day or portion thereof
   D. Use of a recording system for tardiness or early departure
   E. Use of a recording system for each scheduled day of instruction
   F. Use of dates for entries and withdrawal of enrollment

3. When Attendance Will Be Recorded:
   A. Daily at elementary level
   B. Period by period at secondary level or an elementary level that is departmentalized
   C. At elementary level when the students attend special area classrooms

4. Determination Of Which Absences Are Excused And Which Are Not:

   Excused absence shall include:
   A. Sickness
   B. Sickness or death in family
   C. Required to be in court
   D. Approved high school or college visits
   E. Religious observance
   F. Attendance at health clinics
   G. Take your child to work day as per school policy

   Unexcused absence shall include:
   A. Unlawful detention
   B. Truancy
   C. Suspension
   D. Vacations
   E. Competitive tournaments
5. **Description of School Policy Regarding Attendance and Course Credit:**

Schools within the Diocese of Buffalo Catholic Education system believe that student attendance in school increases student success. In order for each student to develop his/her personal talents and pursue academic success, foster responsibility and leadership, we encourage parental/guardian support in the educational success of children. Regular attendance at school is essential for student success. Subjects are taught in sequence and require the understanding of each concept in the order of its presentation. Therefore, students who miss **20 days** of school, and have NOT met periodically with school administration, are in jeopardy of retention. It is the **parent/guardian’s responsibility to notify school administration of an attendance concern and to request such a conference**

6. **Description of Incentives/Sanctions to Be Used:**

   A. Regular attendance determines participation in special occasion days or events.
   B. Regular attendance determines promotion.
   C. Excessive irregular attendance warrants notification of proper authorities.

7. **Description of Notification of Parents/Guardians:**

   A. Parents/guardians notify school for absence and/or tardiness **BY 8 A.M. DAILY.**
   B. School calls parents/guardians if parent/guardian has not called.
   C. Students who are tardy MUST REPORT to the Main office.
   D. A written excuse must be completed by the parent/guardian giving a specific reason for absence/tardiness within **3 days.**
   E. If an excuse is not received within **3 days**, the absence is recorded as **unexcused.**
   F. Unexcused absences/tardiness is recorded in the school register of attendance.

8. **Description of the Development Process for Intervention Strategies:**

   Personnel will keep the administration aware of persistent attendance problems or patterns. The school notifies the parents of the problem and pattern. If the problem or pattern continues, the school administration will notify proper authorities.

9. **Identification of the Person to Review Attendance Records and Initiate Action:**

   Pupil attendance records shall be reviewed by the principal for the purpose of initiating appropriate action to address unexcused pupil absences, tardiness, and early departure.

10. **Absences:**

    If a child is to make progress, he/she must attend classes regularly, as New York State requires. Only serious reasons of health or family emergencies should keep a child home. New York State indicates that the only legal absences are illness, death in the family, and necessary attendance in court. Other legal days of absence are emergency closings due to weather, sickness, etc. Children’s absences for the purpose of family trips and/or competitive tournaments are illegal absences and so indicated in the attendance registers. All absences, legal or otherwise, require a written excuse, which shall be given to the homeroom teacher upon the return to school. All written excuses will contain:

   - Name of the absent child
   - Date(s) of the absence
   - Reason for the absence
   - Signature of the parent/guardian
When a child is absent from school, parents/guardians **will call** the school attendance line at 693-5604 x 304. When it is necessary for a student to be excused during the school day for a legitimate reason, parents/guardians **MUST** write a note stating why the child is leaving early and what time the child will be picked up. At the time indicated, the parent/guardian will come to the school office and sign out the child. Upon returning to school after the appointment, the child should return to the school office and be signed back in. The child is then to return to class. If someone other than the parent or legal guardian is to pick up the child, a note from the parent/guardian must be presented stating who will be picking up the child.

A child is marked tardy when he/she is not in his/her classroom by 7:47 A.M. Children will not be considered tardy if the tardiness is due to bus transportation. All children who are tardy must go directly to the school office. **Parent/guardian MUST bring in the tardy child(ren) and sign them in.**

**LATE ARRIVAL/EARLY DISMISSAL:**

Tardiness is disruptive to the learning environment and should not occur absent exceptional circumstances. Excessive tardiness or early dismissal may affect your financial assistance or re-enrollment for the next year.

**Tardiness:** Students who arrive after 7:47 a.m. must register their arrival in the school office, be signed in by a parent or guardian, and should submit a note explaining the exceptional circumstances. Students will then receive a late pass and **are to check in with their homeroom teacher before proceeding to class.** Excessive tardiness or tardiness without reasonable excuse may subject the student to appropriate disciplinary procedures at the discretion of the administration.

**Early Dismissal Procedures:** Every effort should be made to schedule appointments after school hours. In the event that this is not possible, a written request must be sent with the child on the morning of early dismissal. Students can only be picked up by a parent/guardian or an authorized adult. The person must report to the main office to sign out the student. The student will remain in class until the parent arrives at the school to pick up the child. Changes in dismissal must be made to the homeroom teacher each morning daily. If the child returns to school during the same school day, he/she must be signed back into school in the office.

**Ineligibility due to Absence:** A student who is absent from school on a given day cannot participate in an extracurricular activity (sports, clubs, etc.) on that same day. A student must be in school for at least half of the school day in order to participate.

**Family Vacations:**
The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child’s learning process. Missed assignments are the student’s responsibility. No assignment will be given in anticipation of the vacation. **Missed work will be provided upon the return of the student to school.**

**Take Your Child to Work Day:**
Any parents planning to “Take Their Child to Work” in April MUST send a written note into your child’s homeroom teacher stating the following: name of business being visited, career/occupation being observed, and what was learned during their visit. All children bringing in this information will be marked as attending an educational field trip. Any child who does not have this in writing will be marked on their attendance with an illegal absence.
EMERGENCY SCHOOL CLOSINGS

All emergency school closings will be announced on the following stations: WGRZ, WKBW and WIVB. If the closing is due to inclement weather, etc., it is announced as Sweet Home Schools (St. Christopher is part of the Sweet Home School District). If the problem is specific to St. Christopher (heat, water etc.) the TV will announce “St. Christopher School, Tonawanda”, when our school is closed, we will also send out a School Reach message to our families. If you are a resident of another district (Williamsville, Starpoint, etc.) and your district is closed, you will have NO bus service and your child will need transportation to and from school.

ST. CHRISTOPHER SCHOOL FIELD TRIP POLICY

- Field trips are designed to correlate with teaching units and to achieve curricular goals.
- A field trip is a privilege and not a right.
- There are no “traditional” field trips. Class participation in a particular field trip over consecutive years does not mean that this trip has become a school tradition.
- Individual teachers, in consultation with the Administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
- A written official permission slip, signed by the parent, is required before a child will be permitted to attend a field trip activity. Verbal permission cannot be accepted. Permission slips are due in the office forty-eight hours after receipt of the permission slip.
- A telephone call will NOT be accepted in lieu of the proper field trip permission slip.
- Students who are participating in the field trip must ride the bus to and from the field trip with their class. Students not on the bus may not participate in the field trip and will be counted absent for the day.
- All monies collected for the field trip are non-refundable.
- Parents who are not “official” chaperones may not drive their car to a field trip destination with the plan of accompanying the class on the field trip. Our risk management insurance company insures the “official” chaperones. Participation by unofficial chaperones jeopardizes the protection for our students and all other “official” adults on the trip. This includes the 8th grade end of the year trip!
- Parents who chaperone a field trip may not bring preschool or school-age siblings on the field trip.
- Attendance at a field trip is considered a school activity and all students are expected to attend.
- Absence from a field trip is considered absence from school.

Chaperones:
- Will assist the teacher with supervision
- Must be VIRTUS trained and up-to-date with required Bulletin readings.
- Must be 25 years of age or older.
- Must have a completed Code of Conduct form on file in the office.

- Field Trips are for educational purposes and as such the child:
  - May participate in a group experience without their parents
  - Will cooperate with adult chaperones

The teacher will try to give each parent an opportunity to accompany the class on a field trip, however, parents cannot expect to go on all field trips. There will only be as many parents invited as are needed to transport the class and provide adequate supervision. Please do not show up for a field trip if you are not chaperoning the trip.

SIBLINGS ARE NOT ALLOWED TO GO ALONG ON FIELD TRIPS!
VISITORS AND VOLUNTEERS

A. Volunteer Code of Conduct:
We require every parent who volunteers with children to complete a Virtus Training Program through the Diocese of Buffalo and remain current with monthly bulletins. A Virus Workshop session schedule is available on www.virtus.org. The Code of Conduct form and the Uniform Volunteer Questionnaire form will be kept in the school office. Any parent without Virtus certification and a completed Code of Conduct form on file may not chaperone field trips, coach, help in the cafeteria, or participate in any school program involving our students. ALL PERSONS IN A SITUATION THAT THEY WILL BE ALONE WITH CHILDREN OR SUPERVISING MUST BE VIRTUS TRAINED! NO EXCEPTIONS.

**St. Christopher School reserves the right to select our volunteers based on our own criteria.

Whenever a visitor is in the building, no matter who they are, they **MUST** sign in at the office and have a visitor’s badge. If you see someone other than faculty/staff who does not have a badge, please send him or her immediately to the office. If they will not cooperate, please call the office. Parents **MAY NOT** visit with teachers during student arrival time between 7:30 and 7:47 am. When a parent desires to see a teacher; an appointment must be made either directly with the teacher or through the school office. Please do **NOT** call teachers at home or on their cell phones. No child may be released from school to accompany anyone unless you fax or send a note. Please use email to contact the teachers.

Laser pointers are NEVER allowed in school or on buses, as they are considered dangerous. Students who persist in bringing these items to school will be subject to disciplinary measures according to the gravity of the infraction and school policy.

Student Code of Conduct

The Dignity for All Students Act (DASA)

Effective July 1, 2012 New York State signed into law The Dignity Act. This act is intended to give students an educational environment from discrimination and harassment. It protects against all forms of harassment.

The Dignity Act will prohibit activities that create a hostile environment at school and school-sponsored events. These activities include aggressive conduct, threats, intimidation or abuse that unreasonably and substantially interferes with another student’s educational performance.

The Dignity Act creates a framework for promoting a more positive school culture through sensitivity training and classroom curricula on diversity.

Teachers are required to:
- Incorporate curricula on diversity and sensitivity into lessons on civility and citizenship.
- Be trained to recognize and respond effectively to harassment and bullying, and implement strategies to prevent it.

Dignity Policy Statement:

Saint Christopher School endeavors to educate our students academically, spiritually, socially and physically. Our school community, comprised of students, employees, parents, parishioners and visitors, is expected to conduct themselves in a Christ-like manner demonstrating respect and dignity towards each other.

We are called to “Live as Jesus Did,” striving to be co-workers with one another, supportive of each other, respectful towards one another and guardians of each other's dignity.

We will serve as models for our school community to develop compassion, tolerance, justice and respect for all life. St. Christopher School will teach our students that diversity encompasses different God-given characteristics and attributes in each individual. Respect for others is fundamental to “who we are” as a Catholic Christian school.

Saint Christopher School has established expectations for student/parent/employee/coaches and visitor conduct on school property and at all school functions both on and off site. These expectations are based upon the principles set forth in our Student/Parent and Faculty Handbooks and as identified in our mission and philosophy statements and code of conduct. Behaviors not in accordance with these policies are strictly forbidden and will not be tolerated.

The Saint Christopher School community, in our role as responsible citizens, appreciates and understands our diverse society and is committed to excellence and the fair, just treatment of all.

Education Law 11[7]

Bullying- has been described as unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Bullying can occur before and after school hours, in a school building or places like a playground or bus, while a child is traveling to or from school or on the Internet. Children who are bullied and those who bully others could have serious, lasting problems.

**Bullying generally involves the following characteristics:**

*An Imbalance of Power*: Children who bully use their power, such as physical strength, access to embarrassing information, or popularity, to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.

*The Intent to Cause Harm*: The person bullying has a goal of causing harm.

*Repetition*: Bullying behaviors generally happen more than once or have the potential to happen more than once.

**Examples of bullying include, but are not limited to:**

(Penal Law §120.16)

Under the Penal Law, it is also considered hazing, even when physical injury does not occur, if a person intentionally or recklessly engaged in conduct during the course of another person’s initiation into or affiliation with any organization, which created a substantial risk of physical injury to such other person or a third person. (Penal Law §120.17)
Cyberbullying— is a form of electronic aggression and both it and sexting are inappropriate and will not be tolerated on school grounds or at school-sponsored events or functions, using either school or personal information technology equipment. It is a form of bullying that occurs through the use of electronic technology, such as cell phones, computers and tablets. It can also involve the use of communication tools, such social media sites, text messages, chat and websites.

Examples of cyberbullying include, but are not limited to:

- Sending hurtful, rude, or mean text messages or emails to others.
- Spreading rumors or lies about others by text message or e-mail or posting on social networking sites.
- Creating or sharing pictures, websites, videos or social media profiles, including fake profiles that embarrass, humiliate, or make fun of others.

Cyberbullying is different from face-to-face bullying because messages, videos, pictures and/or images can, among other things, be:

- Sent 24 hours a day, 7 days a week, 365 days a year
- Distributed quickly to a very wide audience
- Sent anonymously

Reporting Violations of this Code of Conduct:

Any student, parent, coach, visitor, or staff member observing a student engaging in any inappropriate behavior on school property or at a school function, shall report this information immediately to the school Principal, and/or designee to ensure prompt and appropriate actions will be taken as per this code of conduct.
BEHAVIOR STANDARDS

CONDUCT:
Saint Christopher School has developed standards of conduct that create an atmosphere conducive to learning. Each student is entitled to a classroom that provides a good learning atmosphere; each teacher sets goals and guidelines for an orderly, respectful, disciplined classroom. It is important that parents be knowledgeable and supportive of the code of conduct expected at St. Christopher School. The students will be taught to be responsible for their actions.

Acceptable student behavior demonstrates the following:

- respect for self, all members of the school community, and visitors,
- acceptance of responsibility for academic and moral learning,
- courtesy in speech and manner towards all adults and each other,
- regard for and cooperation with school and classroom policies,
- kindness in speech, action and attitude,
- interested participation in school activities,
- proper safety habits and care of school property and facilities.

Courtesy: Courtesy and good manners are expected of all students at all times. The guiding principle for all conduct at St. Christopher School is: "Just Do The Right Thing!" (JDRT).

Conduct in Hallways and Stairs: Students are expected to be polite and considerate of others in the building. Loud talking, shouting, running, littering or any other forms of disturbance are to be avoided. Walk in quiet, single file lines.

Basic Classroom Rules:

1. Respect for all who enter.
2. Follow directions of individual teachers.
3. Keep hands, feet and objects to yourself.
4. Refrain from profanity and teasing.
5. No gum chewing.
6. No food or drink in classroom unless given by teacher.
7. No yelling or screaming.
8. Unless otherwise directed, one person talks at a time.
9. Walk in the classroom.
10. No “fidgets” or spinners are to be brought to school.

Kids Kare Rules: As the afterschool program is a continuation of the school day, the policies and procedures outlined here continue to be applicable. Any student violating such policies or refuse to comply with the request of the staff will be subject to the same disciplinary actions.

Personal Possessions: Students are expected to show respect for the personal possessions of others. The teacher’s desk and all classroom materials, other students’ lockers, desks, purses, book bags and their contents, are off limits.

School Property: The parent of a child who carelessly destroys or damages any furniture, equipment, buildings, or anyone’s personal property will be obligated to pay the full amount of repairs and labor or replacement. Textbooks rented by the student must have a proper book cover. No writing in rented textbooks is permitted. The student will pay a fine or replacement for damaged or lost texts before any final reports, transcripts, or diplomas are presented.
DISCIPLINE:

Discipline shall be considered an aspect of moral guidance, an outgrowth of self-discipline, and not simply a form of punishment. Saint Christopher Schools strives to establish guidelines which will encourage personal responsibility for individual student behavior. The program is in keeping with a Catholic Christian environment. It clearly identifies acceptable behavior and defines a system of consequences for both acceptable and unacceptable behavior. This set of rules shall be applied consistently. Communication will be maintained between school and home as established by the administration.

The best discipline is self-imposed, and students must learn to assume and accept responsibility for their own behavior, as well as the consequences for their misbehavior. St. Christopher faculty and staff who interact with students are expected to use disciplinary action only when necessary and to place emphasis on the student's ability to grow in self-discipline.

St. Christopher School recognizes the need to make its expectations for student conduct while on school property or engaged in a school function specific and clear. The rules of conduct listed below are intended to do that and focus on safety and respect for the rights and property of others. Students who will not accept responsibility for their own behavior and who violate these school rules will be required to accept the penalties for their conduct.

CLASSROOM BEHAVIOR PLANS:

Each teacher or grade level teacher will develop a behavior plan for his or her classroom which will be based on respect and behaviors contributing to the learning environment. These plans will include acceptable behaviors and consequences for inappropriate behaviors. Lack of homework, supplies, assignment notebooks, etc. will be included in the plans. Classroom plans will be shared with parents at Open House or Parent Orientation.

Primary Grades: K-5:
In the event a primary student does not comply with the behavior standards and code of conduct expectations the following measures will be implemented:

1. Teacher speaks with the student and reminds them of the school expectations
2. Parents will be notified by the teacher if inappropriate conduct continues and a conference may be scheduled
3. If consequence warrants, administration will be notified.
4. Conference scheduled with parents/guardians, staff and/or administration

Detention: Grades 6-8
Detention may be issued for a breach of classroom and/or school rules. The day, date, and time of the detention are at the discretion of the administrator or designee who monitors the detention. Detention takes precedence over appointments, practices, lessons, tutoring, ballgames, etc.

Gum: Students should not chew gum at school at any time that they are on school premises. This includes before school, during school, and after school. Disciplinary action will occur for students chewing gum during the course of the school day. There will be an after-school detention that day.

Slime: Students are not permitted to bring Slime to school.
DISCIPLINARY CONSEQUENCES

Occasionally removal from the group is necessary to protect a student and/or the learning environment of the school. This is necessary when a student;

1. Is in physical or psychological danger or puts another in danger
2. Is irrational or unreasonable, or
3. Pushed beyond the limits of respect in speech or actions.

The following conduct may lead to serious disciplinary consequences

1. An individual infraction of a major school rule
2. Disrespect of authority
3. Using inappropriate language or gestures
4. Repeated truancy
5. Repeated infractions of school rules
6. Engaging in physical rough housing including; wrestling, pushing, shoving, etc.
7. Disruption of the learning environment
8. Theft, vandalism, and/or destruction of school property or the personal property of students, staff, or others
9. Harassment, threats, or physical acts against others
10. Disregarding rules of safety or good conduct on the school bus or grounds
11. Throwing snowballs on school property
12. Writing personal notes during school time. Notes will be destroyed, if offensive it will be sent to the principal and student may be required to show the note to a parent.
13. Out of school conduct which seriously detracts from the reputation of the school

Students who violate the student code of conduct will receive a Discipline Referral Form (DRF- as listed in the Appendix) noting their misconduct. Copies of each notice will be collected with the following actions taking place upon receiving multiple notices.

The student will be brought to the principal’s office and a four step Discipline Cycle will be set into motion.

**Step One**
The student will be removed from the class and brought to the office. The teacher observing the behavior will call the parents to inform them of the behavior and that their child has been removed from class. A copy of the Discipline Referral Form will be sent home for parent to sign and return

**Step Two**
If a second violation occurs, step one will be repeated and a conference will be held with the teacher observing the behavior, homeroom teacher, principal, parents, and student which may result in a lunch or afterschool detention.

**Step Three**
Violation for the third time will result in a call to the parents to schedule a conference with the school counselor and administration whereupon a student behavior contract will be drawn up outlining the conditions for the child to remain in school. Violation of the contract will result in the consequences set forth which may include an in or out of school suspension. Length of suspension will be determined by the pastor and principal.

**Step Four**
A fourth violation will result in an automatic termination of education at St. Christopher Catholic School.

Each trimester would mark a fresh beginning for students
Off-Campus Conduct: Because students are perceived as representatives of their school, students have a responsibility to conduct themselves both in and out of school in manners consistent with values professed by the Church and in the Gospel of Christ. The school has a right to discipline a student whose out of school conduct brings scandal to the school and church community or which seriously detracts from the reputation of the school. Guidelines established in the Discipline Policy will be followed. The administration of St. Christopher School reserves the right to discipline its students for off-campus behavior that is not in line with behavior expectations of its students during the course of the school day. This off campus behavior includes, but is not limited to cyber-bullying.

Scholastic Integrity Policy

In keeping with the moral and educational philosophy of St. Christopher School, the honesty and integrity of each student is expected. Copying another person’s work, plagiarism, cheating on tests and/or examinations, or any other forms of dishonesty in the performance of a student’s academic requirements will not be tolerated. Students may be subject to disciplinary action, up to and including suspension and possible expulsion from school. Examples of academic misconduct may include but are not limited to:

- Lying to school personnel
- Stealing the property of others
- Defamation, which includes making false or unprivileged statements or representation about an individual or group of individuals that harms the reputation of the person or group by demeaning them.
- Any attempt to obtain credit for work done by another is totally unacceptable at St. Christopher School.

1. **Plagiarism** - Which is using someone else’s words or ideas without giving proper credit or without giving any credit at all – to the writer of the original. Whether plagiarism is intentional or unintentional, it is a serious offense. If a student plagiarizes, he/she will need to resubmit the assignment and receive a 15% penalty on the new work. Parents and the principal will be notified and other school discipline may result.

2. ** Forgery** – No student may sign the name of another person including, but not limited to: parents, guardians, teachers and fellow students.
   - First offense: Meeting with principal or assistant principal and one day in-school suspension.
   - Second offense: 2 -3 day out of school suspension.
   - If behavior persists students may face expulsion.

3. **Cheating** – If caught cheating on a test or quiz, the paper will be sent home for the parent to sign. If a replacement quiz or test is given, at the teacher’s discretion, a 15% penalty will apply to the new grade.

4. **Copying.**

5. **Assisting another student with any of the above actions.**
DANGEROUS BEHAVIOR

St. Christopher School believes that certain types of behavior simply cannot be tolerated. This behavior includes but is not limited to the following:

- Committing an act of physical aggression such as hitting, kicking, punching, shoving, choking, scratching, upon another student, teacher, administrator or other school employee or attempting to do so.
- Threatening to harm self or others.
- Intentionally damaging or destroying the personal property of a student, teacher, administrator or school employee, including graffiti.
- Initiating a report warning of fire, bomb or other catastrophe without valid cause, misuse of 911, discharging a fire extinguisher.
- Starting fires
- Weapons possession
- Vandalism
- Any other activities that potentially could cause harm to a member of the St. Christopher School community.

Recently, nationwide events have caused concern among educators, parents and students about certain types of violence and threats of violence. Accordingly, St. Christopher’s is restating its prior position that any threat of violence (written, verbal, electronic or non-verbal) directed towards the welfare of students, faculty or staff will be subject to the full range of the disciplinary process, including reprimand, conflict resolution, parental contact, counseling, out of school suspension, legal action and/or expulsion.

It should also be noted that falsely accusing another of such threats of violence would be treated similarly. Actions, which threaten grave harm, may result in immediate suspension from school pending a hearing with the Principal and Pastor. If determined to be necessary, the Tonawanda Police will also be called. This applies to school days, after school care programs, field trips, sport events and any other activities sponsored by our school.

NOTE:

- A student accused of a serious wrong can be put on home study pending an investigation or adjudication.
- A teacher accused of serious wrong doing can be put on a leave of absence pending an investigation or adjudication.
- A volunteer accused of a serious wrong doing will be required to suspend volunteer activities pending an investigation or adjudication.

WEAPONS:

Weapons are not allowed on school property either in the building or on our grounds at any time. This also includes school buses and all school sponsored activities. A weapon is defined as any implement, which poses a threat to the safety of those around him/her. The Principal and Pastor will deal with any student who violates this policy. Consequences will be appropriate to the violation and discussed with the student and parent.
ALCOHOL, TOBACCO & DRUGS:

The use or possession of alcohol, tobacco (E-Cigarettes) and drugs are not allowed on school property either in the building or on the grounds at any time. This also includes school buses and school-sponsored activities. Any student who violates this policy will be dealt with as follows:

1. Consultation with the school nurse.
2. Parent will be called to the school.
3. Student will be sent home and placed on suspension.
4. Parent and student will be referred to the Sweet Home Family Support Center or a private counselor. A private counselor would be at the family’s expense. Parent will contact the Family Support Center personnel to make an appointment for a meeting. Student DOES NOT return to school until step 4 is completed and a licensed counselor signs a St. Christopher’s readmission form.
5. If the Family Support Center or a private counselor recommends treatment or further counseling, the student MUST attend the sessions recommended. If the parent/student refuses the recommended treatment or counseling sessions, the student withdraws from school or is expelled.

Students coming to school or school functions having used tobacco, alcohol or drugs will be dealt with in the same manner.

HARASSMENT:

Children learn best in a climate of acceptance, tolerance and respect where bullying and harassment are not tolerated. Therefore, our school strives to create and maintain an atmosphere absent of threats in interactions with peers or adults.

Bullying behaviors may include words, actions, and/or body language that happen repeatedly or present a threat to physical or emotional safety due to an imbalance of strength, power or numbers. It may take several forms: verbal, nonverbal, and/or physical. It refers to behavior that is usually or often repetitive, frequent, would ordinarily not be considered of a social nature, is unwelcome, offensive, or fails to respect the rights and dignity of others.

Incidents of bullying/harassment will be addressed by the principal or designee and a response initiated in a timely manner.

PROBATION

Each student has the responsibility to abide by all rules and regulations. Failure to assume these responsibilities will result in disciplinary actions being taken on behalf of the school community.

PROBATION:
Serious or continued misconduct may result in a student/parent/Administrator conference to discuss the nature and terms of the probation. This would include a definite time period in which the student should show evidence of conforming to the code of conduct.
**SUSPENSION/EXPULSION**

**SUSPENSION:**
Suspension is a serious consequence implemented at the discretion of the Principal or Vice Principal. Suspension is the temporary removal of a student from school or class to correct unacceptable behavior. No student may be suspended in excess of ten days for any one offense unless expulsion is recommended. No student may be suspended for more than 30 days in any one school year unless expulsion is recommended.

*In School Suspension:* Students who are given an in-school suspension will be required to report to school each day. A student may not be able to attend classes but would be in some designated area within the school and provided with study assignments to be done during the suspension.

*Out of School Suspension:* Students who receive an out-of-school suspension will not be allowed on the school grounds or at school events during the time of their suspension. Students must complete all classwork and tests from the days of suspension. The student would not attend school but would be provided with study assignments during this time.

**IMMEDIATE SUSPENSION:**
If the administration feels that a student’s attendance at school has put anyone in danger, the student will be suspended immediately.

**Sending a suspended student home during the school day:**
When a student is suspended, the administrator will attempt to contact the parent/legal guardian to request that he/she pick up the student from school. If a parent/legal guardian cannot come for the student, or if the administrator cannot reach the parent/legal guardian, the student must stay at school until the end of the school day.

**Missed school work:**
Normally, students who have been suspended will need to make up school work missed following their return to school. In such cases, it shall be the responsibility of the student to make up the missed work within a reasonable time as specified by the teacher.

**EXPULSION:**
Expulsion is an extremely serious matter and will be implemented based upon individual circumstances as determined by the Principal and Pastor. Permanent dismissal or involuntary transfer of a student for disciplinary reasons may occur for reasons of crime, scandal, immorality or disruption, which constitutes a threat to the general welfare of the school family. Students who have been expelled will not be allowed to return to the school without prior permission from the Principal for any occasion.

*If during attendance or after hours a student does anything to damage or endanger the reputation of St. Christopher School, the administration has the right to expel that student. This can be to protect the other students.*

**NOTE:** In keeping with the tenants of our Catholic faith, students will be given the opportunity for forgiveness, guidance and absolution. In cases of repeat conduct offenses and/or severe violations, consequences will be implemented at the discretion of administration.

**DUE PROCESS:**
Students facing disciplinary action are entitled to fair procedures to determine if they are at fault. This includes, at a minimum, the right to know what they are accused of and the right to respond with their side of the situation. Parents and students have the right to meet and discuss decisions resulting in major disciplinary action such as suspension from school or transportation, or expulsion.

CELL PHONES/ELECTRONIC DEVICES

The following cell phone use guidelines have been established at St. Christopher School to maintain an educational environment safe from disruption, while at the same time maintaining sensitivity to family communication needs.

**All Students:** In order to protect all students from cyberbullying, unwanted videography and photography, lewd internet sites, and disruptive or inappropriate messages and calls, use of devices including but not limited to cell phones, smart phones, video games, iPods, cameras or **other personal electronic devices including Apple watches, fit bits or any device with texting/messaging capabilities is strictly prohibited during the school day for all students.** Students are prohibited from photographing or video-recording students or school personnel without their specific permission. Violation of this policy may result in suspension or expulsion at the discretion of the administration.

**Middle School:** We understand the need for students to have access to a cell phone; therefore we request you familiarize yourself and your student with the policy listed below. Parents may call the school office to leave an urgent message for the student or in case of an emergency during school hours; however, please have dismissal plans arranged before dropping off the student. School phones are for emergencies. Violation of the policy will result in confiscation of the phone, which will be returned only to a parent or guardian at the end of the school day. Multiple offenses will result in confiscation of the device until the end of the school year.

- Students will be asked to turn cell phones in to homeroom teacher at the start of each day. Homeroom teachers will put the cell phone in a labeled bag and it will be locked up for the remainder of the day. At the end of the day it is the student’s responsibility to ask for their phone back.
- Students who do not turn cell phones in to their homeroom teacher at the beginning of the day and are found to have a cell phone in their possession will have consequences at the discretion of the teachers and school administration.
- **Students attending Kids Kare, STREAM Academies, Sports or any other afterschool activity; the homeroom teacher will transfer your cell phone to the staff member or adult in charge who will then return it to the student at the completion of the afterschool event.**
- Absolutely NO cell phone use in the restrooms, locker rooms, hallways, cafeteria, any unsupervised area or during emergency drills or actual emergency situations.
- Use of camera/video phones or text messaging on school property is absolutely forbidden at all times.
- No cell phones on field trips unless specifically authorized by the principal or teacher/moderator.
- If St. Christopher becomes aware of any pictures taken during school that are posted on the internet, there will be consequences at the discretion of the school administration.

**Consequences:**

**1st Violation** - misuse of your phone by yourself or others will result in confiscation. Confiscated cell phones can be picked up by a parent in the school office after 2:30 p.m. Absolutely no cell phones will be given back during the school day.

Students involved in possession or transmission of inappropriate photos on their cell phones or other electronic devices face suspension or expulsion.
Computer and Internet Use Policy and Conduct

St. Christopher School is preparing students for the 21st Century by offering up to date computer resources to complement the curriculum. The internet is a valuable tool providing a vast number of resources at the click of a mouse. It is a general expectation that the school’s resources are to be used in a reasonable, efficient, ethical, moral and legal manner in accordance with the beliefs and policies of St. Christopher School.

Computer storage areas will be treated like student lockers. Administrators may review files and communications to maintain system integrity and ensure the students are using the system responsibly. Computer use will be monitored by teachers, but students are responsible for following the guidelines for appropriate use and bear the consequences for misuse. All students and staff are required to sign the school Computer Use Policy as listed in the appendix of this handbook. Failure to do so will result in the inability to use school computers, internet services, and personal devices.

Students will not engage in conduct that violates the school’s computer and internet use policy, which as is follows:

- It is the student’s responsibility to avoid abusive conduct which would include, but is not limited to the altering of system software, placing of unlawful information, computer viruses, or harmful programs on or through the system, in either public or private files or messages.
- Students will not use the school’s computer system to obtain, view, download, send, print, display or otherwise gain access to or transit materials that are unlawful, obscene, pornographic, abusive or violate copyright laws.
- Students will not use the school’s computer system to harass, insult, or attack others.
- Students will use only authorized software on the school’s computer system.
- Students will use all computer equipment for the purpose for which it is intended.
- Students will not tamper with terminals, associated equipment, or otherwise disable the system.
- Students will not change, copy, rename, delete, read, or otherwise access files or software that he/she did not create unless they have permission from their instructor.
- Students will not use a computer for anything other than course-related work without permission from the instructor.
- Student’s will not access personal e-mail, web pages, instant messages or enter chatrooms
- Students will not use the internet for transmission of materials in violation of local, state or federal regulations.
- Students will not access, display or send materials that are derogatory toward any race, religion, culture, ethnic group, gender or sexual orientation.
- Students will not download music.
- Students may not use obscene language on their computer, nor view internet sites that do.
- Students may not trespass in others’ files, folders or works. If an individual password has been assigned, it is to be kept confidential and not shared with others.

CONSEQUENCES:

FIRST OFFENSE – Unless the student violates a significant policy, the first offense will result in a review of the school expectations as well as parent notification.
SECOND OFFENSE – Student will have technology access denied for 1 month and a parent conference will be scheduled.
THIRD OFFENSE – Referral to administration and consequences such as suspension and/or expulsion may be enforced.

Damages: The burden of costs for repair or replacement of a damaged school-owned device rests solely with the student and his or her parent or guardian.

Note: Law enforcement agencies will be involved when appropriate. The student will not have computer privileges until Both parents and student have signed the internet use policy.
SOCIAL MEDIA: No parent, student, or employee of St. Christopher School and Parish should open a Facebook or other social media account under the name of the school, a particular grade or organization, team, etc. The only official St. Christopher School social media sites are created and monitored by the Rectory staff in conjunction with school administration. Anyone who chooses to create such accounts may subject his/her children to separation for the school.

A. Blogs- Engagement in online blogs such as, but not limited to, Instagram, Snapchat, Kik, Facebook, etc., may result in disciplinary actions if the content of the student’s blog includes defamatory comments regarding the school, the faculty, other students or the parish.

B. Posting Pictures on the Internet- For the safety and privacy of all St. Christopher students, families, faculty and staff, at NO time should pictures or videos be posted on the internet or any social networking site without written permission and consent from every person in the picture.

C. Bullying and Cyberbullying- St. Christopher School is committed to providing a safe environment for all individuals. Verbal or written threats made against the physical or emotional well-being of any individual are taken very seriously. Students making such threats (seriously or in jest or online) face detention, suspension, and/or expulsion.

AN OVERVIEW OF CHILD INTERNET SAFETY:

Types of Danger-

PREDATORS - One in five children aged 10 to 17 is sexually solicited online every year. This usually happens through online chat rooms and instant messaging and is very difficult to monitor. Take the story of 13 year old Christina Long from Danbury, Ct. She was a sixth grader at her Catholic school where she was a cheerleader, altar girl and honor student. She also had a secret life of meeting strangers from the internet and was murdered by one of those acquaintances.

INAPPROPRIATE CONTENT - Even the most benign words can lead to pornographic websites or pictures when put into search engines. Google, for example has both a website and image search engine. Children may be entering harmless words to search for school projects but it will often lead to inappropriate websites or images. Not long ago there was a pornographic site whose URL was very close to the URL for the White House (they were instructed to change their URL).

INFORMATION AND IDENTITY THEFT – While we generally think of the adult topics of social security and credit card numbers when we think of this issue, this danger also applies to children. Children should not be revealing their real name, address, telephone or other personal information to anyone over the internet. Social Media sites and Apps like Instagram, Snapchat, Facebook, etc., where revealing personal information is encouraged have become a haven for predators.

VIRUSES AND SPYWARE/MALWARE – This is software meant to infiltrate (and possibly damage) a computer without the owner’s knowledge or consent. While it may not be as serious in degree as some of the other risks listed here it can still be a nuisance nonetheless. Children can become the source of malware by downloading items from unknown sources (ie: music and videos) or by opening up an email that contains this software.

Parent’s Checklist of Child’s Online Activity:

- Email address (es) and passwords
- Screen names
- Names on their buddy list
- Blogs and webpages, they possess and subscribe to
- Virtual reality sites
- E-readers
HEALTH & SAFETY

Communicable Diseases:
1. The faculty and staff at St. Christopher School strive each and every day to keep the school building a safe place for your children to work and learn. We are stressing the importance of hand washing and general infection control.
2. The school nurse will report significant cases of a communicable disease to parents. Parents with a question about communicable diseases should call the health office.

The “ILL” Student:
All ill students should be kept home so other children will not be exposed to an illness. Do not send your child to school with any of the following:
1. An undiagnosed skin rash.
2. Inflamed condition of one or both eyes.
3. Head lice or nits (eggs). No student is allowed to return to school with any nits in their hair.
4. A temperature of 100 degrees or more or any student who has not been fever free for 24 hours.
   Students will be sent home if any of the above appear during the school day.

H1N1 / Swine Flu Warning Criteria:
* Fever over 100 degrees
* Nasal congestion or runny nose
* Cough
* Sore throat

Screenings /Evaluations:
Screening of students for speech, articulation or language deficiencies are provided. Evaluations of an individual student by speech therapist, psychologist or other professional require notification of custodial parent or guardian before any review can take place.

Immunization Records:
New York State Education Law demands that schools have a copy of your child’s immunization record on file. This record is due at the time of admission to school.
   If documentation is not received two weeks after the first day of school, your child will be unable to attend classes until the necessary documentation is provided. If you have any questions or need help with this in anyway, please call the school nurse, Mrs. Davis at 693-5604, ext 112.
Allergies:
St. Christopher School recognizes that an allergy is an important condition affecting many school children and positively welcomes all pupils with allergies. Our full-time school nurse provided by the Sweet Home School District provides training on allergies for those staff that come into contact with children with allergies. Training is updated as needed. Students with allergies should be documented with the school. The parent or guardian should provide a doctor’s notice so that the school has it on file.
Parents of students with “life threatening” or serious medical problem such as an allergy that requires an epi pen, diabetes, seizure disorder, etc. must notify the school nurse before the first day of school to discuss any required medication, procedures, and medical forms necessary. St. Christopher School will maintain a system-wide procedure for addressing life threatening medical problems and maintain an Emergency Action Plan for any student whose parent/guardian and physician have informed the school in writing that the student has a potentially life threatening issue. St. Christopher School will provide training and education for all St. Christopher faculty and staff at the beginning of every school year for possible emergency situations pertaining to the above.

HEALTH SERVICES

Mandated Reporting:
As of October 1, 2007, under New York State law, the staffs of all public and private schools are mandated reporters of any suspected child abuse.

Physicals:
All students must have a sports physical done if participating in a school sport. Grades 6-8 may be done at school or with our personal health provider. A copy of the physical report must be forwarded to the school health office. Any other student must submit a form from their personal health care provider.
An individual health record is on file in the nurse’s office for each public and private school student in the Sweet Home Central School District. It includes the results of immunizations, the annual height/weight check and data on vision, hearing, scoliosis and other health history information.
Students in grades K, 1,3&7 and all new entrants are required by NYS Health Law to have a physical examination. This may be performed by the student’s primary health care provider or by our school nurse practitioner or school physician. New entrants are encouraged to submit a physical examination report from their health care provider. Students who will receive a school physical examination must have a physical examination permission form completed by their parent/guardian. This form will be sent home with their child in the beginning of the school year. All students must be properly immunized to register and attend school. Any exception to this mandate will be handled on an individual basis.

Medicine:
1. According to NYS Health Department Law, any medication to be administered must be brought to the school by an adult in the original bottle or container in which the medication was purchased or prescribed.
   It is necessary to receive written permission from the PARENT AND THE HEALTH CARE PROVIDER before any medication will be given. Notes should include permission for school personnel to administer the drug along with a statement of the reason, name of the drug, the amount and time to be given. This policy includes, but is not limited to, prescription medication, as well as, over-the-counter medication such as cough drops, aspirin, ibuprofen, acetaminophen, nasal sprays and inhalers, eye and ear medications, sprays and ointments for the skin.

2. Students will not be permitted to carry or have medication in their possession unless designated a self-directed student for asthma and a medical note from the child’s Health Care Provider and the parent is on file. Administration of medication two to three times a day can be scheduled at home as a parent’s responsibility.

3. Verbal and/or telephone requests to administer medication are not acceptable for the protection of the student and the school.
STUDENT SAFETY & DRILLS

Emergency Information
Parents are asked at the beginning of each school year to fill out two Emergency Information Forms and return them promptly to the school office. These forms list the names of persons to be contacted in case of student injury or sudden illness. Under the law, schools may give nothing more than first aid treatment. Immediate notification of parents may be necessary when hospitalization or emergency care is required. Parents are requested to notify the school immediately if there is a change in their address, telephone number, baby-sitter or person to contact in an emergency. This information is vital in the event of student illness, injury, or other emergency.

EMERGENCY INFORMATION FORMS ARE REQUIRED FOR THE OFFICE AND THE NURSE. PLEASE COMPLETE BOTH AS SOON AS YOU RECEIVE THEM.

Emergency Fire Drills:
New York State Law requires a minimum of twelve fire drills each school year. Directions are posted in every room of the building. Students are to follow directions and exit the building as quickly and quietly as possible.

Emergency Evacuation Drill
St. Christopher participates in the annual early dismissal drill with the Sweet Home School district. All students will be released 10 minutes early. Parents will be notified prior to the date.

Non-Custodial Parents
Non-custodial parents may get school information, non-official copies of report cards and access to faculty-UNLESS there is a court order against such contact. To arrange for such communication, call the school office. All adults who volunteer in our school must be Virtus trained and sign the Code of Conduct.

CRISIS PLAN
St. Christopher School has implemented a “crisis plan” in case of a lockdown emergency. All teachers and staff are aware of the procedure to follow to keep your children safe. In the event of such an emergency, circumstances permitting, the building will be evacuated and students will be moved to one of two secure designated locations.

Written Plan:
The school’s emergency evacuation plan requires that a written statement from parents be kept on file, designating an alternative destination in the event that no one would be home when the child is dismissed.

Emergency Evacuation:
In the event of an emergency evacuation, students will be relocated to the Ellicott Creek Fire Hall.

Emergency Release Plan:
In the event that an emergency arises while the children are in school and an early dismissal is necessary, these procedures will be followed:
1. Students with house keys and their siblings will be released even though parents have not been contacted. (Parents will have previously signed Emergency Release Plan Form.)
2. Children whose parents have been contacted will be released.
3. Children whose alternate adult has been contacted will be released.
4. All other students will remain in the building if parents cannot be contacted.
5. In the event that the building must be evacuated immediately, the children will be taken to another facility- Ellicott Creek Fire Hall.
6. The local radio stations will be notified of the emergency dismissal and the point of evacuation.
7. Children will be released and transported by the Transportation Department from their school district.
CRISIS PLAN

EMERGENCY SITUATIONS:
St. Christopher School has adopted the following emergency drills in the case of emergency evacuations:

**Evacuate the Building-Dangerous to Remain in the Building.**

1. Fire drill with no alarm

2. (No rush) Students must return to homeroom and collect belongings while teachers take attendance. Exit the building following fire drill procedure. Go to the church or an alternative spot such as the playground. If necessary, we will go to the Ellicott Creek Fire Hall. Photo ID will be required of parent or any designated adult before any student is released.

3. Rush to leave – students, faculty and staff exit immediately

**Shelter in Place-Building is Being Secured**

Examples: Civil Disturbance, Anthrax Scare, Severe weather conditions. An announcement will be made to shelter in place. All schedules stop. Building access will be controlled at designated points on an individual basis. Continue until Shelter in Place is lifted.

**Lockdown-Immediate Danger in the Building**

Examples: Intrusion/Hostage/Kidnapping, Weapons Scare, Anthrax Scare
All students remain in their classroom. The building is secured. NO one enters or leaves the building. All activities stop. All children will remain in their classroom or go to the nearest classroom. P.E. classes go to the locker room area. Teachers check hallways, lock classroom, cover door glass and remain inside. Lockdown will end when teachers and students are released from the classrooms by emergency responders or administration.

**Lockout-Outside Threat**

Lockout initiated with a “Lockout” announcement.
All exterior doors and windows are locked. Building access will be controlled at designated points on an individual basis. Normal activities will continue within the school building. Lockout will end when announced.

**MEDICAL EMERGENCY- Need Defibrillator**

Example: Medical emergency. Students remain in their classrooms until all is clear.

P.A.D :: Public Access Defibrillators are located in the link near the elevator and near the Pre K classrooms. We have trained personnel during school hours. Practice drills will occasionally be held. These defibrillators are available to anyone using the campus at any time.

All students follow a full day schedule. Emphasis is placed on Religion, Reading, Language Arts and Mathematics as they form the foundation of all other fields. Social Studies, Science and Health are included as an integral part of the curriculum with greater emphasis in Grades 4-8.

Homeroom Groups: Many important factors are taken into consideration by the principal / teachers for the placement of a student in a homeroom group for each school year. It is only for very extraordinary reasons that we will consider exceptions to this policy.

Religion - As a Catholic School, our primary purpose is to teach the doctrine of the Catholic faith and to nurture in our students how to live the gospel message in their daily life.

School masses are held weekly for all classes (K-8) as part of the school day. The sacramental program for First Penance is taught in Grade 2 and First Eucharist is taught in Grade 3.

In addition, all students of St. Christopher School are encouraged to make sacrifices/donations to mission projects, the parish Outreach program and the annual Catholic Charities Appeal.

All grades will have special area classes. (Art, Music, Physical Education, Media).

Foreign language-Spanish instruction is offered to Grades 5-8. Only students with a learning disability or an IEP may be exempt. These students may be provided a quiet workplace as an alternative.
Accelerated Math:
For 7th Graders to be accelerated to Integrated Math 9 as 8th graders, students must:
- Achieve a 3.6 – 4 on the NY State Grade 7 test in the Spring.
- Maintain a 90% or higher average for their 7th grade overall average.
- Teacher recommendation and limited school absences.

Living Environment:
For the Living Environment course the following will be considered:
- 7th grade overall average of 90% or higher
- End of the year test score in science. (90% or higher)
- Score on a Living Environment pre-test.
- Teacher recommendation and limited school absences

The Media class gives students the opportunity for a unique learning experience, by which they develop library reference and research skills, reading and writing skills, cooperative learning skills, literature appreciation, media awareness, and computer skills. Students work with computers to develop basic computer literacy, word processing, keyboarding, graphic artistry, and computer research skills. Students are permitted to check out books at any time.

Vocal Music will be scheduled for all students Pre-K 4 yrs through Grade 8. When a class is performing in a school musical or concert, each member of that class is required to be present for the evening performance. Not attending will result in a lower grade for that trimester.

Our full-time Art instructor provides quality instruction in creative expression and design for students.

Cursive writing is introduced in Grades 2 and 3. Drill and practice will be provided; however, students will be allowed to use print or cursive on assignments in most subjects.

Grades 2 – 8 ALL subjects: All student work handed into a teacher MUST have the following:

<table>
<thead>
<tr>
<th>Complete heading:</th>
</tr>
</thead>
<tbody>
<tr>
<td>First &amp; Last Name</td>
</tr>
<tr>
<td>Subject</td>
</tr>
<tr>
<td>Date</td>
</tr>
<tr>

</tr>
</tbody>
</table>

PHYSICAL EDUCATION:
It is the policy of St. Christopher School that all students actively participate in physical education. Only a student who follows the exclusion policy will be excused from this class.

Exclusion Policy
A written note must be presented to the school if a student is unable to participate in the class on a given day. If a student is unable to attend PE classes for an extended period of time for reasons of health, a letter must be obtained from the physician. Any student with stitches may not take PE unless he has written approval to do so from a doctor.
HOMEWORK/ TESTING / REPORTING / RETENTION

HOMEWORK:
Homework is the extension of learning experiences in and continued beyond the classroom. Concepts taught in the classroom are reinforced by homework.

St. Christopher teachers follow the Diocesan Department of Catholic Education’s guidelines for the amount of homework assigned per evening:

- Grade 1 and 2: 10 – 20 minutes
- Grade 3 and 4: 30-45 minutes
- Grade 5 and 6: 45-60 minutes
- Grade 7 and 8: 1 – 2 hours

NOTE: Due to the increased demand of the NYS learning standards and testing, homework and/or assignments may need to be given over weekends. In accordance with this learning process we will not accept homework faxed to the school office. Students are required to individually present their finished homework to the teachers on time.

Any assignments not completed and present in the class in which they are due will receive a Discipline Referral Form indicating missed or late assignments. This written notification is to be signed by both the student and the parent.

Any graded materials sent home on a Discipline Referral Form for missing or late assignments will receive a reduction in grade. This penalty will be indicated on the form. (e.g. A graded assignment will be penalized 10%. A non-graded homework assignment will be penalized part of the trimester’s percentage for homework.)

Completed assignments with signed form are to be returned to the teacher during the following morning or a grade of 0% will be received. Students without work will be sent to the office to call parents and notify them. No exceptions!

Policy on Projects: Projects are an extension of curriculum done by the learner beyond class time. Work can be completed alone or in groups. Interdisciplinary designs will be assigned and assessed. Time limits, rubrics, scoring and due dates will be part of the project design.

Absences: Requesting Missed Work: Sometimes a child is absent for a day of school. We have received phone calls from the parents of absent students requesting that the teacher put together a packet of work to be sent home with a sibling, neighbor, or to be picked up by the parents themselves. We appreciate the effort on the part of parents to encourage their child to keep up with the rest of the class. However, if parents call in the morning for missed work, teachers don’t always have enough time to get meaningful work together by the end of the day. As we expect teachers to be engaged with their students all day long, there isn’t much time for them during the school day to gather work for absent students. It works best for teachers to tend to this task after school when they have the time to carefully craft the work and write out explicit directions. Consequently, we ask that if a student is absent for only one day, you don’t request work. Rather, the teacher will take responsibility to catch the child up the next day. If your child is absent for more than one day, please contact the teacher and allow ample time for work to be gathered. Thank you for your cooperation and support!
TEXTBOOKS:

Some textbooks are supplied free from the State of New York in all subjects except Religion. **ALL TEXTBOOKS MUST BE COVERED!!** Those students who lose a textbook will be charged the replacement cost of the book. **THERE ARE NO STICKY BOOK COVERS ALLOWED. IF A BOOK IS COVERED IN ANY TYPE OF STICKY MATERIAL, IT WILL BE SENT HOME TO BE RECOVERED.**

If textbooks are abused and damaged, fees will be charged and final grades withheld until payment is made.

TESTING:

Student assessment is essential to evaluating student progress. The testing and evaluation program at St. Christopher School includes teacher-made tests, quizzes, and unit tests. Progress monitoring will be conducted in reading and math throughout the year utilizing Renaissance Star 360 and IXL.

REPORTING:

The first and primary educators of children are their parents. St. Christopher School shall initiate meetings and programs which help establish a partnership with parents. The school shall try to involve the family as much as possible in the educational aims of the school. Communications with parents shall include, but not be limited to, progress reports, standardized testing results, teacher assessments, parent-teacher conferences and daily performance reports.

All Elementary Schools in the Diocese of Buffalo are required to report pupil progress to parents/guardians. These reports are issued for Grades K-8 three times a year, at the end of each thirteen-week marking period.

In addition, teachers will send interim reports to all families approximately half way through each trimester with the average to date for each academic subject. Parents should be aware that the evaluation of student achievement is assessed through:

- Unit Tests
- Weekly Tests and Quizzes
- Performance and Projects
- Class Work/Homework Completion
- Class Participation
- Portfolio Assessment
GRADING:

*Student Management System* (E-school):

Teachers post grades, progress reports and report cards onto the Parent Portal of E-school. This allows 24-hour access to all parents. In order to access the parent portal, call the school office for information.

| Grades 1 – 8     | Report Cards are issued three (3) times a year. Passing is achieved by maintaining marks of 75% and above. ➢ Students are graded with **NUMBER GRADES** in ALL subjects:  
As per Diocesan Policy; any mark 60 or above may be used on the report card. For any mark below 60, a 60 is used to compute the final average. A letter will be sent home with the actual grade and the reason for the grade. |

**DIOCESAN GRADING SYSTEM - Gr. 3-8**

**Marking Scale:**

- **A** = 100% - 95.0%
- **B** = 94.9% - 88.0%
- **C** = 87.9% - 80.0%
- **D** = 79.9% - 75.0%
- **F** = Below 75% (failure)

St. Christopher School Passing grades for each level is:  
Kindergarten S  
Grade 1 & 2 C -  
Grades 3 – 8 75%

**Academic Probation:**

A student whose academic performance indicates serious deficiencies may be placed on academic probation. Students on academic probation will be placed on a two week improvement plan. At the end of the two week period, the student’s academic progress will be assessed. Students whose average is an F will not be allowed to participate in any sport or academic competition until the grade has improved to a passing grade of D (75%) or higher.

**End of the Year Assessment (Grades 3-8)**

Students in grades 3-8 will be assessed in some core subjects (Reading/Writing, Science or Social Studies). Study guides will be provided for each end of the year assessment prior to the test. End of the year tests will be designed around major topics throughout the year with approximately 50% of the points coming from the 3rd trimester. Teachers may also opt to do an end of the year project as a final assessment.
Trimester Averages: The computation of trimester averages for grades 3-8 are computed as follows:

**Step One: Determine the factoring value for a given subject.**

- Classes meet 5 days/week = 1.0
- Classes meet 4 days/week = 0.8
- Classes meet 3 days/week = 0.6
- Classes meet 2 days/week = 0.4
- Classes meet 1 day/week = 0.2

**Step Two: Determine the total possible point total.**

Multiply the corresponding factor for each graded subject by 100. Add the sum of all graded subjects.

**Step Three: Determine the achieved point total.**

Multiply the achieved student grade by the corresponding factor for each graded subject. Add the sum of all graded subject points.

**Step Four: Determine the average.**

Divide the achieved point total into the total possible point total.

Final Averages:

- In grades 4-8 the final averages for subjects with end of the year assessments are computed as follows: The trimester averages for each subject area is tripled; add the end of the year assessment grade; and divide by 10.
- For any Reading and Writing Assessments displayed on the report cards, these are averaged into the third trimester averages, not the yearly average.
- The Final Overall Average for each student is the average of the three trimester averages.
- The following key will be used on report cards to distinguish between the category of grades:
  - F = Final Average
  - A = Assessment
  - FA = Final Assessment
  - R = Regents

End of the Year Academic Achievement/Retention:

When a student in grades K-8 fails a core academic subject: (Reading, English Language Arts, Social Studies, Science, Math) every effort will be made with your public-school district to provide summer school or educational evaluation for the learner.

**Students who fail 3 academic subjects will not be promoted or graduate. Anyone who fails 2 subjects will be required to attend summer school and/or be tutored and demonstrate growth before returning to our school.**

Participation in the June graduation ceremonies and issuance of a St. Christopher School diploma depend upon satisfactory completion of core area subjects.
ACADEMIC HONORS:

**Honor Roll:** Honors Assemblies will be held to recognize students who have earned:

- **Honors with Distinction** (95.0 – 100.00)
- **Honors** (90.0 to 94.99) in grades 5-8.

Various other student successes will also be celebrated at these assemblies some examples include:

- **Cougar Courage** – awarded to one boy and girl in each homeroom who showed the most dedication and made the most drive to improve in each core subject.
- **Victorious Virtues** – awarded to one boy and girl in each homeroom who exhibits the virtues of faith, hope, and love in charity and service to others by actions, word, and example.
- **JDRT** - awarded to one boy and girl in each homeroom who exemplify appropriate conduct by *Just Doing the Right Thing*.
- **Student of the Month** - awarded to one boy and girl in each homeroom who exemplify monthly Character Traits.

**STUDENT SUPPORT PROGRAMS**

Psychological testing, speech, physical therapy, Title I, and remedial instruction are provided to assist each child in achieving his/her personal potential.

**Reading/Math Resource:** Students with lower Reading/Math skills are enrolled in small group settings for the assistance of these skills with a remedial Reading/Math teacher.

**A.I.S.**

Academic Intervention Services are provided by St. Christopher School, for identified learners and those who earn a 1 or 2 on NYS Math or ELA tests.

St. Christopher School serves students with an I.E.P. if we can rely on the Public School district to supply all necessary assistance and therapy. We also, when possible, provide 504 plans to accommodate special needs or modifications for appropriately identified learning disabilities.

**SST: Student Support Team**

Teachers meet formally with the Principal or Vice Principal on a regular basis to discuss students who are at risk. The team assists in developing strategies and insights at the primary, intermediate and middle school levels that will be shared with the classroom teachers to assist the student. The meetings may result in scheduling conferences with parents, recommending testing, or monitoring the situation. The goal is to build on the strengths of the child and address the areas of concern so that he/she may be a productive student.

A process to examine academic needs of an individual can be initialized by a teacher or parent. Concerns over a student’s achievement should be up to the homeroom teacher and then an SST referral considered. Parents with questions regarding their children’s academic abilities need to speak with our Principal or Vice Principal.

SCHOOL RECORDS

Records / Permanent File:
Every student has an academic and a medical folder on file. These records are available for review by the parent upon appointment with the school principal. The privacy act protects the confidentiality of these documents—they may not be released to anyone without written permission from a parent.

Consistent with the provision of the Family Educational Rights and Privacy Act (FERPA) of 1974, official records, files and data directly related to their children are available to parents upon request to the principal. The principal will schedule an appointment with you to review the records requested. A request form for the parent to examine the records must be signed and kept on file in the school office. (Diocesan Guideline #6081)

When parents are divorced and custody of the child is part of the decree, it is advisable that the principal secure a copy of the court decree and keep it on file. Under the Buckley Amendment, a school may presume that either parent has access rights to the child's educational records, unless a court decree states the contrary.

Custody:
If parents are divorced or separated, the school presumes that both parents have access to the children unless one parent can provide evidence that he or she has the sole right. A copy of the document providing such evidence must be kept on file in the school office.

---Non-Custodial Parent: In the absence of a court order to the contrary, St. Christopher School will provide the non-custodial parent access to a student’s academic records and other school-related information. If there is a court order denying access to the records and information, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

Student Records:
St. Christopher School adheres to the Buckley Amendment (Family Educational Rights and Privacy) regarding access to student records. Records of students transferring to other schools will only be sent through the U.S. Mail. No records will be given to parents to transport to the new school.

Parents requesting records/transcripts/recommendations must make a five school-day request to the School Office. All forms should be submitted to the St. Christopher School Office for distribution. Completed forms will be sent via the U.S. Mail. Special handling will require that all postal fees be paid by the parents. PLEASE NOTE: No records will be sent to transferring schools of students whose financial commitment is in arrears.

St. Christopher School shall keep an up to date cumulative record of each pupil from kindergarten through grade eight. The following records shall be kept for each student in the cumulative folder:

- Initial application forms and student entrance test
- Permanent/cumulative record cards
- Birth Certificate
- Achievement Test Scores
- Health/Immunization Records
- Report cards (current year and previous years)
- Transfer information and records (if appropriate)
- Baptismal and sacramental records
- Field trip permission slips
- Custody information
SPORTS/EXTRA CURRICULAR ACTIVITIES

SPORTS: St. Christopher School Sports Philosophy
The athletic department at St. Christopher School recognizes the importance of participation in athletics as a means to providing a well-rounded educational experience for our students. A sound athletic program improves the quality of student life, promotes school spirit, and helps attract students to the school.

The primary focus of the athletic program is to have our students learn new skills and develop their talents in a fun, competitive atmosphere. We acknowledge the desire to provide opportunities for as many students as possible to participate, while at the same time recognize the need to limit the size of teams in the interest of safety and fairness in playing time. There is also recognition that many of our students will continue their athletic endeavors in high school, and we have a responsibility to prepare them for that higher level of competition. We will always teach and support an atmosphere of good sportsmanship and respect for our opponents.

Policies for Participation:

1. Signed parental permission slip required.
2. Acceptable performance in academic classes.
   Examples: Class assignments and homework completed and handed in on time.
   Works to his/her ability.
   Shows a positive attitude toward school.
3. Shows pride in Team.
   Examples: Attends all meetings and practices.
   Attends all games.
   Appears in a clean and neat uniform.
   Shows good sportsmanship.
   Cheers on one’s teammates.
   Shows respect for coordinators, coaches, officials, and opposing team members
4. A student who is absent from school on a given day cannot participate in an extracurricular activity (sports, clubs, etc.) on that same day. A student must be in school for at least half of the school day.
5. Uniforms should be returned in good condition ready for use by another person.
   Parents will be responsible to cover the cost of lost or damaged uniforms and equipment.
   All uniforms must be returned within one week of the end of the season.
   A deposit is required when uniform is issued.

ATHLETIC TEAMS
St. Christopher School offers various athletic programs. Teams are dependent on having enough players and coaches.

Junior Varsity: There will be a possibility of a 2nd team to satisfy demand as long as:
- Qualified coaches are available to coach the teams
- If more than one team is populated, they will be divided up by ability levels. Each team will then be put in a division or league, based on ability levels, which is appropriate and allows them to be both safe and competitive.
Varsity:
1 team per sport
- Team rosters are limited, (for purposes of safety and fairness in playing time), by sport as follows:
  - Basketball 12 max
  - Baseball 12 max
  - Softball 13 max
  - Volleyball 12 max

Tryouts:
At least 2 days of tryouts & All cuts will be made on the phone. Will be opened to parents to watch if they choose
- There will be no talking to coaches or children (including your own) during the tryout
- Playing Time

Overall, students playing time will be based on student’s commitment towards the team, behavior, and effort at practice and in games. All teams will always enter each game with the goal of winning, but the following parameters will apply:

Junior Varsity- Every effort will be made to provide playing time to each player in every game, although not necessarily equal time. Exceptions may be made for playoff, tournament, or championship games.

Varsity- There is recognition that the level of competition is often higher for Varsity sports, and playing time may not be available for all players in every game. However, coaches will make every reasonable effort to provide playing time for all players.

  4th Grade – All players get equal playing time, with the rare exceptions of the final minutes of playoff or championship games, if applicable.

These guidelines for playing time are at the coach's discretion based on player's’ commitment to their team, behavior, and effort in practices and games. The guidelines are also consistent with the school’s policy to limit team sizes for the purpose of safety and fairness.

Coaches & Parents Meeting
All coaches must adhere to the Diocesan policies and as such will be subject to the following;
- Background Check
- Virtus Training and the ability to remain current with monthly bulletins
- Up to date with First Aid and CPR training. Copies of certification must be on file in the main office

Coaches will be obligated to hold a parent meeting before the start of that particular sports season. The purpose of the meeting will be to explain the above policies and answer any questions parents may have.

* If necessary, adjustments can be made by school administration and sports committee
  The guidelines for participation in athletic activities are outlined in the sports policy, which is distributed to all potential participants. In addition, copies of the policy are available to any interested party and may be obtained in the school office.

**THERE IS NO GUM CHEWING ALLOWED IN THE GYM-NOT DURING PRACTICES OR GAMES!
SCHOOL INFORMATION

SCHOOL STORE: The school store has items available for purchase such as; school supplies, ties, gym shirts and shorts, sweatshirts and fleeces. Students are able to visit the store before school each day. Parents may make purchases during school office hours. The store is located in the hall area near the cafeteria lavatories.

SCHOOL DIRECTORY: The school directory lists names and addresses of all families of St. Christopher School. It also references faculty names and room numbers, and H.S.A. members. It is updated and published each year.

ASSEMBLIES: During the year, St. Christopher’s faculty and staff provide the student body with informative and enjoyable additions to their regular classroom experiences. Through grade-level and whole-school assemblies, the students are exposed to new ideas in sports, drama, music, safety, character-building, and issues which affect young people today. Students are required to cooperate and behave in an appropriate manner at these gatherings.

BIRTHDAY TREATS/ SPECIAL OCCASIONS – FOOD:
After careful review of our school policies, evaluation of research provided by our local health agencies and, of course, the elevated awareness of the approaching flu season, we have designed a set of rules to protect students, staff and our families. It is our hope to limit the spread of any illness and yet maintain our valuable classroom and school traditions.

1. Parents shall only provide commercially prepared foods for sharing in a classroom. These include individually wrapped items or large sealed containers (i.e. pretzels sticks). All items must be sealed at delivery and will be handed out by faculty personnel only.
2. Parents with individual health allergy concerns should contact their homeroom teachers to clear appropriate exceptions.
3. Special curriculum based activities/celebrations will be coordinated by the homeroom teacher and may include reasonable exceptions.

This is a great opportunity to promote healthy snacks (i.e. fruits and vegetables) etc!! Thank you for your cooperation.

STUDENT GIFTS/INVITATIONS:
- Students should not exchange individual gifts at school. This gesture only creates hurt feelings among other students.
- Invitations for slumber parties or birthday parties should be sent to the homes of students via the U.S. Mail unless an invitation is being given to every student in the entire grade.
- Valentines may be distributed at school.

CLUBS AND COMMITMENTS

We offer many co-curricular and extra-curricular clubs, and opportunities for teams to compete at local, state and national levels. When teams reach competitive levels which require travel, every team member is required to participate so the team is not held back from the competition. Both parents’ signatures will be required guaranteeing student’s FULL participation except for a medical or family emergency. Breech in this commitment will result in serious consequences. These steps are taken to protect team members in competition situations.
COMPLAINT/GRIEVANCE PROCEDURE:
The Diocese desires that problems be solved at the most direct level whenever possible. Parents or students should first attempt to resolve conflicts, concerns or complaints regarding classroom issues or other students with the teacher or other staff person involved. If the issue is not resolved, the parent or student should attempt to resolve the issue with the administration. If the issue remains unresolved, the parent or student may file a complaint with the Pastor first and then the Superintendent.

LOST AND FOUND:
All items lost or found should be reported or brought to the Main Office. Students should not bring large sums of money or valuables to school. The school cannot assume responsibility for personal loss. **PLEASE -- LABEL ALL BELONGINGS!**

ST. CHRISTOPHER SCHOOL BOARD OF LIMITED JURISDICTION:
The St. Christopher School Board of Limited Jurisdiction is instrumental to ensuring the quality of our Roman Catholic school. This Board is comprised of ex-officio and appointed Trustees which, as a unit, oversees the activities of St. Christopher School, Tonawanda, NY, a Catholic Community School. The Board engages collaboratively and respectfully with the school administration and supports them in their roles. The Board shall have responsibility for working with the administration to create policies that are consistent with the mission of the school and of the Diocese of Buffalo. These policies focus on the finances of the school, safety concerns, educational goals, advancement and recruitment. The Board also ensures that the school is in compliance with all governmental regulations. The Board does not have authority over the day to day administration of the school and it does not have authority to hire or fire employees. The Board is also not a grievance panel for faculty or parents.

HOME SCHOOL ASSOCIATION:
St. Christopher School has an active and growing Home School Association (H.S.A.). All parents are encouraged to join and become actively involved in the activities sponsored by the Home School Association. The main objectives of this group include: organizing fund raisers, providing opportunities to discuss common problems, fostering cooperation between the parents and teachers in order to educate children according to Christian principles, and creating a greater appreciation of Catholic Education. Current members are listed in the school directory.

NON-EXCLUSIONARY:
No student will be excluded from our school for health reasons or special circumstances if we can meet his/her academic and emotional needs. Approved by School Board 9/96.

Other Helpful Hints for Parents:
1. Do not arrive at school earlier than the time the teacher has requested you to gather.
2. Do not gather in the hallways or at the school office.
3. Remember, for the rest of the staff and student body it is a “business as usual” day!
Student and Parent Handbook

ATTITUDE

The longer I live, the more I realize the impact of ATTITUDE on life. ATTITUDE, to me is more important that facts. It is more important than the past, than education, than money. It is more important than circumstances, or failures, or even successes. It’s more important than “what other people think” or “say” or “do”. It is more important than appearance, talents or skills. It will make or break a company… a church… a school… a family. The remarkable thing is we have a choice every day regarding the ATTITUDE we embrace for that day. WE cannot change the past… we cannot change the fact that people will act in a certain way. WE cannot change the inevitable. The only thing we can do is play on the one string we have, and that’s our ATTITUDE… I am convinced that life is 100% what happens to me and 90% how I react to it. And so… it is with you, too… you are in charge of your ATTITUDE.

We close every school day with this prayer:

May Christ support us all the rest of the day, till the shadows lengthen,

and the evening comes, and the busy world is hushed,

and our work and our play is done.

Then in His mercy

may He give us safe and holy rest and peace throughout the night.

St. Christopher, pray for us.

Amen

Student Acceptable Computer Use Policy

The Internet is a global network of networks connecting many millions of computers. The Internet is an environment of independent, unregulated resources that can change on a daily basis. This resource is used similar to the way books, magazines, newspapers and videos are used in an educational setting.
