

Kindergarten News

Mrs. Couch

Hello!

Please remember Spring pictures are this Friday, March 22. Your child may dress up for their picture.

In science, we are learning about Habitats this week. We will focus on the desert, rain forest, arctic and the ocean. We will learn about locations, animals, and plants living in these habitats.

In Math we are continuing to work on understanding which numbers can be put together to make up 8, 9, & 10.

Catholic charities dress down days for \$1 donation are March 29 and April 5.

Thank you for all your support.

Have a great week. Mrs. Couch
