

# Miss Gennamore's Classroom News!

January 2019

Peek at the week

## Social Studies 7:

Students are experiencing the course of the Revolutionary War through an active simulation! This has been such a blast to experience. Students choose their fate and react to what happens to them as a militia soldier during this time in history! Soon we will be reviewing this unit as a whole.

## Social Studies 8:

American Imperialism has shown both its positive and negative sides. Students have been analyzing political cartoons and discovering many foreign policies that were enacted during this time. Imperialism is soon to come to an end, and we will be on our way into WWI!

## ELA 8:

We have dabbled in some ELA state test review, and will continue to do so until the exam. We have also been practicing and experimenting with how to make our sentences better. Students will be working on a project where they are able to showcase what they have learned to do!

## Reminder:

Classics Dance is Jan. 25<sup>th</sup>!

Catholic Schools Week begins Sunday, January 28<sup>th</sup>.

Please feel free to contact me anytime! Talk with you soon!
