

*From the Desk of Miss Sutherland*

*Grade 5*

*Week of January 9<sup>th</sup> - January 15<sup>th</sup>*

*I want to thank you all again for all the wonderful and generous gifts I received for Christmas. They are all very much appreciated.*

*We have begun rounding decimals. I have been very impressed with the ease at which students are catching on to this skill. It is an easy skill for those who remembered and mastered place value. It is so nice to hear them say they love the math they are doing!! We have begun adding and subtracting decimals this week.*

*I posted a new Castle Learning on Monday, January 6<sup>th</sup>.*

*This will be open until January 16<sup>th</sup> . All the problems are related to rounding decimals so it's good reinforcement of what we're doing in class.*

*A little math humor.....*
