## What's Happening This Month

### Readers of the Day:

### Poetry Day – Friday, May 31<sup>st</sup>.

Your child needs to choose one poem from their poetry book. They can pull it out and leave it at home. They need to practice reading it. I will print a brand new one for them to color and that will be the poem they read to the class on Poetry Day!

## A Note From Mrs. Reeser

Biography books and packets went home last week. Don't wait until the last minute to start the pack. The book and pack can come back to school whenever it is done. (Final due date is 5/23) We will cut and assemble the packet here in school as well as make our little people! I can't wait to read all the interesting facts the kids learn!

**First grade is in charge of next Tuesday's mass. Along with being the lead singers, Isabelle, Madison and Mikaela will help to read the petitions. Aiden and Joan will be helping to bring up the gifts.**

**FYI: We will be going to the Williamsville East Planetarium on Wed. 5/29. The permission slip is on the St. Chris website.**

## A Peek At What We Are Learning

### Reading:

We will be learning how to add ed and ing to CVC verbs such as hop and silent e ending verbs such as make. We will also be learning about the long e sound spelled with an ie as in field or a y as in bunny.

### ELA

We will be learning about exclamations.

### Math

We will be reviewing two dimensional shapes as well as making composite shapes by joining two dimensional shapes together.

### Religion:

We will finish our creation posters. If the weather is good, we will be going out to the Mary statue behind the parish center and reciting a decade of the Rosary. If the child has their own Rosary, they may bring it in to school.
