Parking Lot/ Drop Off and Pick Up: Safety Issues

OPEN to SUGGESTIONS/ADVICE...cbryk@saintchris.org

The parking lot and drop off/pick up procedures are always being reviewed. Please work with us as we assess and find the best practices for our students. **I ask that you work with us as we must keep the safety of our students in mind.**

I have received the following from a concerned parent. In summary:

Some parents/ grandparents, etc. are leaving their vehicles running unlocked in the parking lot, which is a safety concern. Set forth below is Vehicle and Traffic Law 1210 that states:

(a) No person driving or in charge of a motor vehicle shall permit it to stand unattended without first stopping the engine, locking the ignition, removing the key from the vehicle, and effectively setting the brake thereon and, when standing upon any grade, turning the front wheels to the curb or side of the highway, provided, however, the provision for removing the key from the vehicle shall not require the removal of keys hidden from sight about the vehicle for convenience or emergency.

Morning Drop Off: Parents MUST follow the traffic loop and remain in line. There is **NO cutting through the parking lot** to get to the spaces. Several parents are doing this in the morning and it is definitely a safety concern! Remember when you enter the parking lot, you are also leaving the same way. As you are pulling away after drop off and a bus is entering the parking lot, you **MUST** yield to the bus.

Pre-Kdg parents and anyone else: Another option would be to park in the church parking lot and walk your child to the school.

Reminders:

1. After AM arrival time, **NO ONE** uses the Pre-Kdg doors. Please do not ask the Pre-Kdg teachers/aides to open the door for you.
2. Pre-Kdg arrivals after 7:45 **MUST** come to the Main doors to be buzzed in.
3. If your child is late for school, **YOU** must accompany them to the office and sign them in.
4. We attend Mass each Tuesday at 8am as a school community. Pre-Kdg joined us in January. Please have your students here on time. We do understand that there may be times when things happen to make us run a bit late. On the days when things are "A-OK" please get your students here on time. It is disruptive when students come to Mass late. Often times they are quite upset and that makes the beginning of the day a rough start for them.
5. PM dismissal: All those picking up students **MUST** enter through the Pre-Kdg doors, pick up their students, **GO THROUGH** the cafeteria traffic pattern flow and **OUT** the Main doors.

SAVE THE DATE! SAVE THE DATE!
