

Dear Parents,

We are very excited and pleased to be given the opportunity once again to partner with Raymour and Flanigan, Amherst Showroom located at 1459 Niagara Falls Blvd. to showcase our students' artwork on Thursday, January 31 from 5-8pm. Through the efforts of Mrs. Rauscher, Out Art Teacher and Raymour and Flanigan, this is the 6th Annual Art and Sculpture Show and we would like very much to continue this wonderful experience for our school. A monetary donation from Raymour and Flanigan will continue to benefit our school's art program.

All are invited to browse through the store to see the awesome artwork of our students! Because this is a school/community endeavor, I strongly urge that parents accompany and supervise their students at this event. This is a place of business and we are representing our school. No students should be dropped off and picked up or left unaccompanied. We will review rules and expectations in school and I request that you do the same at home. Just as we attend concerts and field trips, students need to be taught the correct behaviors... in this case: no running, jumping on furniture, no touching artwork, etc.

I trust that you will be in partnership with us as we work together to educate our students, not only in our faith and academics, but also in etiquette and social gatherings. Educating the whole child is a never ending process!

Thank you and I look forward to seeing you at our Art Show at Raymour and Flanigan!

God's Blessings,

Principal Bryk
