September 5, 2018

Dear Parents,

Just a reminder for our returning parents and an FYI to our new comers, if you are dropping your child/children off in the morning you **MUST** follow the drop off loop in the school parking lot (there will be faculty to direct the first week of school). **The only parents who may park in the school lot during arrival time (7:15-7:45 am) are PK Parents. YOU MAY NOT CUT THROUGH THE LOT TO PARK FOR PK; YOU MUST FOLLOW THE LOOP AND PARK.** Keep in mind, after you have dropped your child(ren) off, and are leaving the lot, you **MUST** yield to the buses and the driveway you enter through to drop off is the same one you will use to exit.

If you would like to walk your older children (K-8) into the building, you **MUST** park in the church lot and walk them over. **PLEASE DO NOT USE THE CHURCH LOT TO DROP OFF YOUR CHILDREN, THIS IS A HUGE SAFETY ISSUE. DROP OFF'S CAN ONLY HAPPEN IN THE SCHOOL LOT.**

**Please note, the school day begins at 7:47 AM. Doors are shut and locked at that time. If you see the doors shut you need to park and walk your child/children into the office and sign them in.**

If you pick up your children at dismissal, cars may NOT pull in to the lot until after all of the buses have been cleared, therefore we advise you not to arrive until 2:30. Otherwise you must either wait on Irvington or park in the church lot and walk over. **We ask that you please be mindful to the parking/no standing restrictions on Irvington and be courteous to our wonderful neighbors, which includes not parking in front of fire hydrants or blocking driveways.**

**THERE IS NO PARKING ON THE SIDE OR FRONT OF THE SCHOOL BUILDING IN THE MORNING OR AFTERNOON FOR DROP OFF/PICK UP OF STUDENTS.**

Thank you for your cooperation and patience in keeping our children safe at all times.
