

French and Spanish Class News

Week ending January 11, 2019

French 7th

The 7th grade French class is learning how to talk about activities and items that they like and dislike. This week they completed their like and dislike posters. There will be a mini-test on Friday to finish the chapter. 7th graders should review the vocab from ch 2-1, the definite articles and verbs ending in -er. Next week we will start a new set of likes /dislike vocabulary dealing with places around town.

Spanish 8th

The 8th graders wrapped up their last unit with a presentation in Spanish about what one must eat, drink and do to maintain good health. In the next unit they will learn to talk about places around town. There will be a vocabulary quiz from chapter 4A on Tuesday January 15. 8th graders will find material for the unit on Google Classroom.

French 6th

The 6th graders are learning how to use and respond to classroom commands *en français*. There will be a vocabulary quiz on January 10th and 11th for the 6 grade classes. Next week the students will learn how to talk about objects in the classroom.

French 5th

The 5th graders completed their days and months assessments this week. They can respond to the question: *"Quelle est la date aujourd'hui?"* They are starting to learn about the seasons and weather expressions.
